

Dear Sirs,

we are happy to invite you as a participant or a sponsor for our upcoming conference Metal Forming 2020. The conference will be held online between 13-16 September 2020.

Metal Forming 2020 is the 18th in a series of International Conferences organized since 1974 by AGH University of Science and Technology in Krakow, Poland. The primary objective of the Conference is provide a forum for academics and industrialists to discuss recent developments, innovations and advances in metal forming processes.

The conference will include a series of special sessions covering all aspects of metal forming processes, including the following: **Processes, Deformation Mechanics, Process and System Modelling, Manufacturing Methods, Materials.**

In recognition of your generous support, your organization will be recognized in the conference platform and the conference website. During the conference the sponsor company's banners will also be displayed and your company will have an opportunity to present product portfolio and the latest achievements including software presentations.

We look forward hearing from you any question regarding conference sponsorship.

A detailed information about the sponsorship opportunities are presented below and/or can be obtained from the conference secretary (contact: metalforming@agh.edu.pl)

With kind regards,
Anna Smyk
